

## THREE EASY STEPS

1. Visit your local Lowe's store and talk to our trained specialist or visit [lowes.ca/refacing](https://www.lowes.ca/refacing) or call 1-855-74lowes. A Lowe's associate will start the process to set up a free in-home consultation.
2. A Lowe's authorized in-home design consultant will visit your home and recommend the appropriate product, accessories and options with an estimate based on your needs. No need to return to the store, everything will be handled in the comfort of your home.
3. Installation performed by a Lowe's authorized service provider.
